

## MEDIA PARTNERSHIP PROPOSAL

On September 19, 2017, we will launch our **WedTrotter - Top Wedding Photographers** project. This is a documentary series consisting of 13 episodes, about the best wedding photographers in the world and the events they shoot at. The duration of the project is 1.5 years. The aim of the project is to educate the public about photographic art and the backstage of the practitioners. We also aim to document the customs and traditions of weddings from different cultures around the world.

WedTrotter caravan is on its way. 12 countries, 4 continents, 13 documentary episodes. All with an educational purpose.

We invite you to be the media partners of this **wedding globetrotter** series. We need help in promoting the educational objective of the project and the call for financial support.

Within the media partnership, we will offer you:

- Inclusion as a Media Partner on the project site, which will be launched soon (with logo + link);
- Inclusion as a Media Partner on our digital and printed presentation materials (with the logo);
- Mention and thanks on the Facebook page of the project, on Instagram and Twitter;
- Mention in press releases following the realization of the media partnership;
- Mention in the WedTrotter newsletter;
- Facilitating interviews with WedTrotter protagonists (based on pre-scheduled appointments);
- 1 press accreditation at the festive event of the project.
